Eric,

Have we heard anything from the architect on the rooftop submittal?

Hi Tim.

Can you please pass this onto the architect for approval? Thanks.

Eric,

I am forwarding the HVAC unit submittal to you so maybe you can forward on to the architect. Appears to be close but the drawings are calling for a 48TC and they submitted approval for a 48KC. Looks the same to me but we should check to be sure with the architect before approving.

Thanks,
